**Booking closes at 5pm on Sunday 15th April 2017**

# Short Breaks Music Group Discussion Sessions

Come along to a discussion session to have your say about the kind of provision your child would like.

## What is this about?

**As part of the current Short Breaks contract, Barnardo's have been organising music sessions across the county**

In the past there were drumming sessions across the county for children and young people with SEND. Due to low take up and in response to parent carer feedback, Barnardo's worked with Everybody Sing to run music and performance sessions for children and young people with SEND instead.

Despite the change of provider, there has still been low take up of music sessions. Following discussion with Wiltshire Council and the WPCC, a decision was taken to review this provision.

## Who is this for?

**These sessions are for parent carers only**

These discussion sessions are your opportunity to share your views about the provision your child might want in the future. Would your child like to attend music and performance clubs, would they like something else or are there enough activities which is why take-up has been low?

**Please come and tell what us you think.**

**By getting involved now, Barnardo's will be able to make an informed decision about the provision your children want.**
