Local Offer Website Focus Group Sessions

New look Local Offer website ready for feedback

Following the Local Offer website sessions that took place in November 2017, a lot of work has taken place to build a new Local Offer website informed by the input from everyone who attended the sessions. We now need to test that what has been developed works and does what you said you wanted the new website to do. Please join us at one of these informal sessions to have a look at the new website and share your feedback.
